RE: Snake River Basin Adjudication (SRBA) claim 67-50B

Dear Claimants:

Notice of Claim to a Water Right (claim) 67-50B has been filed in the SRBA. I have begun the initial review on this claim and am having trouble determining your diversion and irrigation systems, as well as the acreage you irrigate under each claim. I have enclosed a map of your property. Please mark the location of your diversion(s) from Robertson-Sevey Ditch and mark the acres irrigated, along with some indication of the diversion system (i.e., ditches, sprinklers, etc.) and return it to me at this office. This will better enable me to make a recommendation on this claim.

For your convenience, I am enclosing a printout of the claim report for 67-50B. Please feel free to contact me at (208) 287-4907 with any questions and to let me know which option you decide to take.

Respectfully submitted,
