In Re SRBA

Case No. 39576

STIPULATION TO RESOLVE OBJECTION

This is the United States' and Alvin and Sherrie Crawford's stipulation to resolve the objection filed to subcase no. 34-04189.

The United States of America, by and through the United States Bureau of Land Management (hereinafter "Claimant") and Alvin and Sherrie Crawford (heinafter "Objector) stipulate as follows:

1. The above-referenced water right shall be decreed as recommended in the Director' Report and in accordance with this stipulation.

2. As a condition for the resolution of the objection to the

above references water right, the Claimant agrees that a water right decreed as recommended in the Director's Report for claim no. 34-04189 shall be administered as if one day junior to water rights decreed for claim no. 34-02443, below the point of diversion at T. 5 N., R. 25 E., sec. 7, NESESW; above this point, the water right decreed for claim no. 34-04189 shall be administered as stated in the director's report.

3. This stipulation shall be binding upon the parties and successors-in-interest to any water rights referenced in this agreement.

4. Parties to this stipulation agree to submit all documentation and/or subsequent stipulations, including Standard Form No. 5, to the Snake River Basin Adjudication (SRBA) Court to effect the terms of this agreement as the SRBA Court deems appropriate.

5. If deemed appropriate by the SRBA Court, the relative rights and restrictions upon the Claimant's water right recognized in paragraph three (3) above shall be incorporated into the partial and final decree issued for Claimant's water rights identified in paragraph 3. Should the SRBA Court not accept the inclusion of the stipulated language in paragraph 3 into the decree of Claimant's water rights, this stipulation is still binding upon the parties and remains in full force and effect.
