AFFIDAVIT

Ray Obendorf

Deposes and says: I am 82 years of age and was born, have lived and own property near or adjacent to the Tina Iest property that utilizes the subject water rights being adjudicated for 82 years. I am very familiar with the property and have observed the water management thereon on a regular basis for more than 60 years.

The owners and managers of that property have basically utilized the same flood irrigation methods over the years, acknowledging changing water transportation methods and irrigation techniques that have evolved over the years.

To the best of my knowledge the water diverted from the various points of diversion has been fully utilized in essentially the same quantities on a regular basis throughout the years I have lived here.
