Hi Danielle,

This note is to give you the latest with those wacky claims we talked about this morning.

67-78 was sent 2nd round service. The owners are Greg and Cynthia Hulin at PO Box 647 in Council. The letter was sent by mistake to PO Box 547, but the postmaster caught the mistake and delivered it to PO Box 647. Cynthia Hulin's signature is on it. I put a copy of this on your desk. I think we can safely say we no longer have to worry about 67-78. It's lost in time, so to speak.

We were interested in 67-11419 (Nelson/Gould/White) and 67-14091 (Anderson). I did speak to Todd Nelson last year. I've included a copy of the memorandum. Unfortunately, that was about a claim other than the two we're interested in, but I do know he works for the school in Council and can be reached there. The home phone number in the file is a correct one. I wrote a recommendation for 67-14091 (Anderson) earlier this year. I have included the documentation for that. 67-11419 was recommended on 25 July 2006 by Craig.

67-14091 and 67-11419 were based on decreed rights 67-39, 40, 43 and 44. The comments in those decreed claims reflect that they have been combined and renumbered.

We also looked at the splits of 67-4114 (67-4114B is RSDC). 67-4114A and 67-4114C have been disallowed with P06/P16 that they would be recommended under 67-4114B (RSDC). 67-4114D has been renumbered to 67-58D. That was one of the ones where I had the individual amend the claim. 67-4114D should be set to See Remarks and 67-58D should be the active claim for that. The name is Helen F Litchfield Glidden. Recommendation is complete for 67-58D. I think that clears your way there.

This is everything on my list. Let me know if you need anything else.
