RE: INFORMATION REQUESTED AT 5-31-95 MEETING

DEAR MR. CALL,

Enclosed please find the proof sheet for the water right 01-07088. This is the right neither of us could explain. It is an Application and is on hold due to the current moratorium; there is no action required on your part for this right at this time.

You asked if the land previously owned by Spring Creek Ranches had water rights and I found the following:

- 01-07088 This Application covers some of the lands; I did not map this out since you now have the proof report.
- A01-10214 Palisades Water User's. This right covers the land as you mentioned.
- 41-07079 This Permit was lapsed by the owner, Spring Creek Ranches, and is no longer valid. I assume this was the groundwater well right. What happened to the old well? Since this Department is concerned with the contamination and effects of abandoned wells I have enclosed the brochure which describes this process for your information.

Finally, I mentioned the GPS program we are developing for wells and diversions and I plan to record that information for your well on Wednesday, June 14.

If you have any questions feel free to call me at our office.

Sincerely,

STEVE CLELLAND
Water Resource Agent

RE:

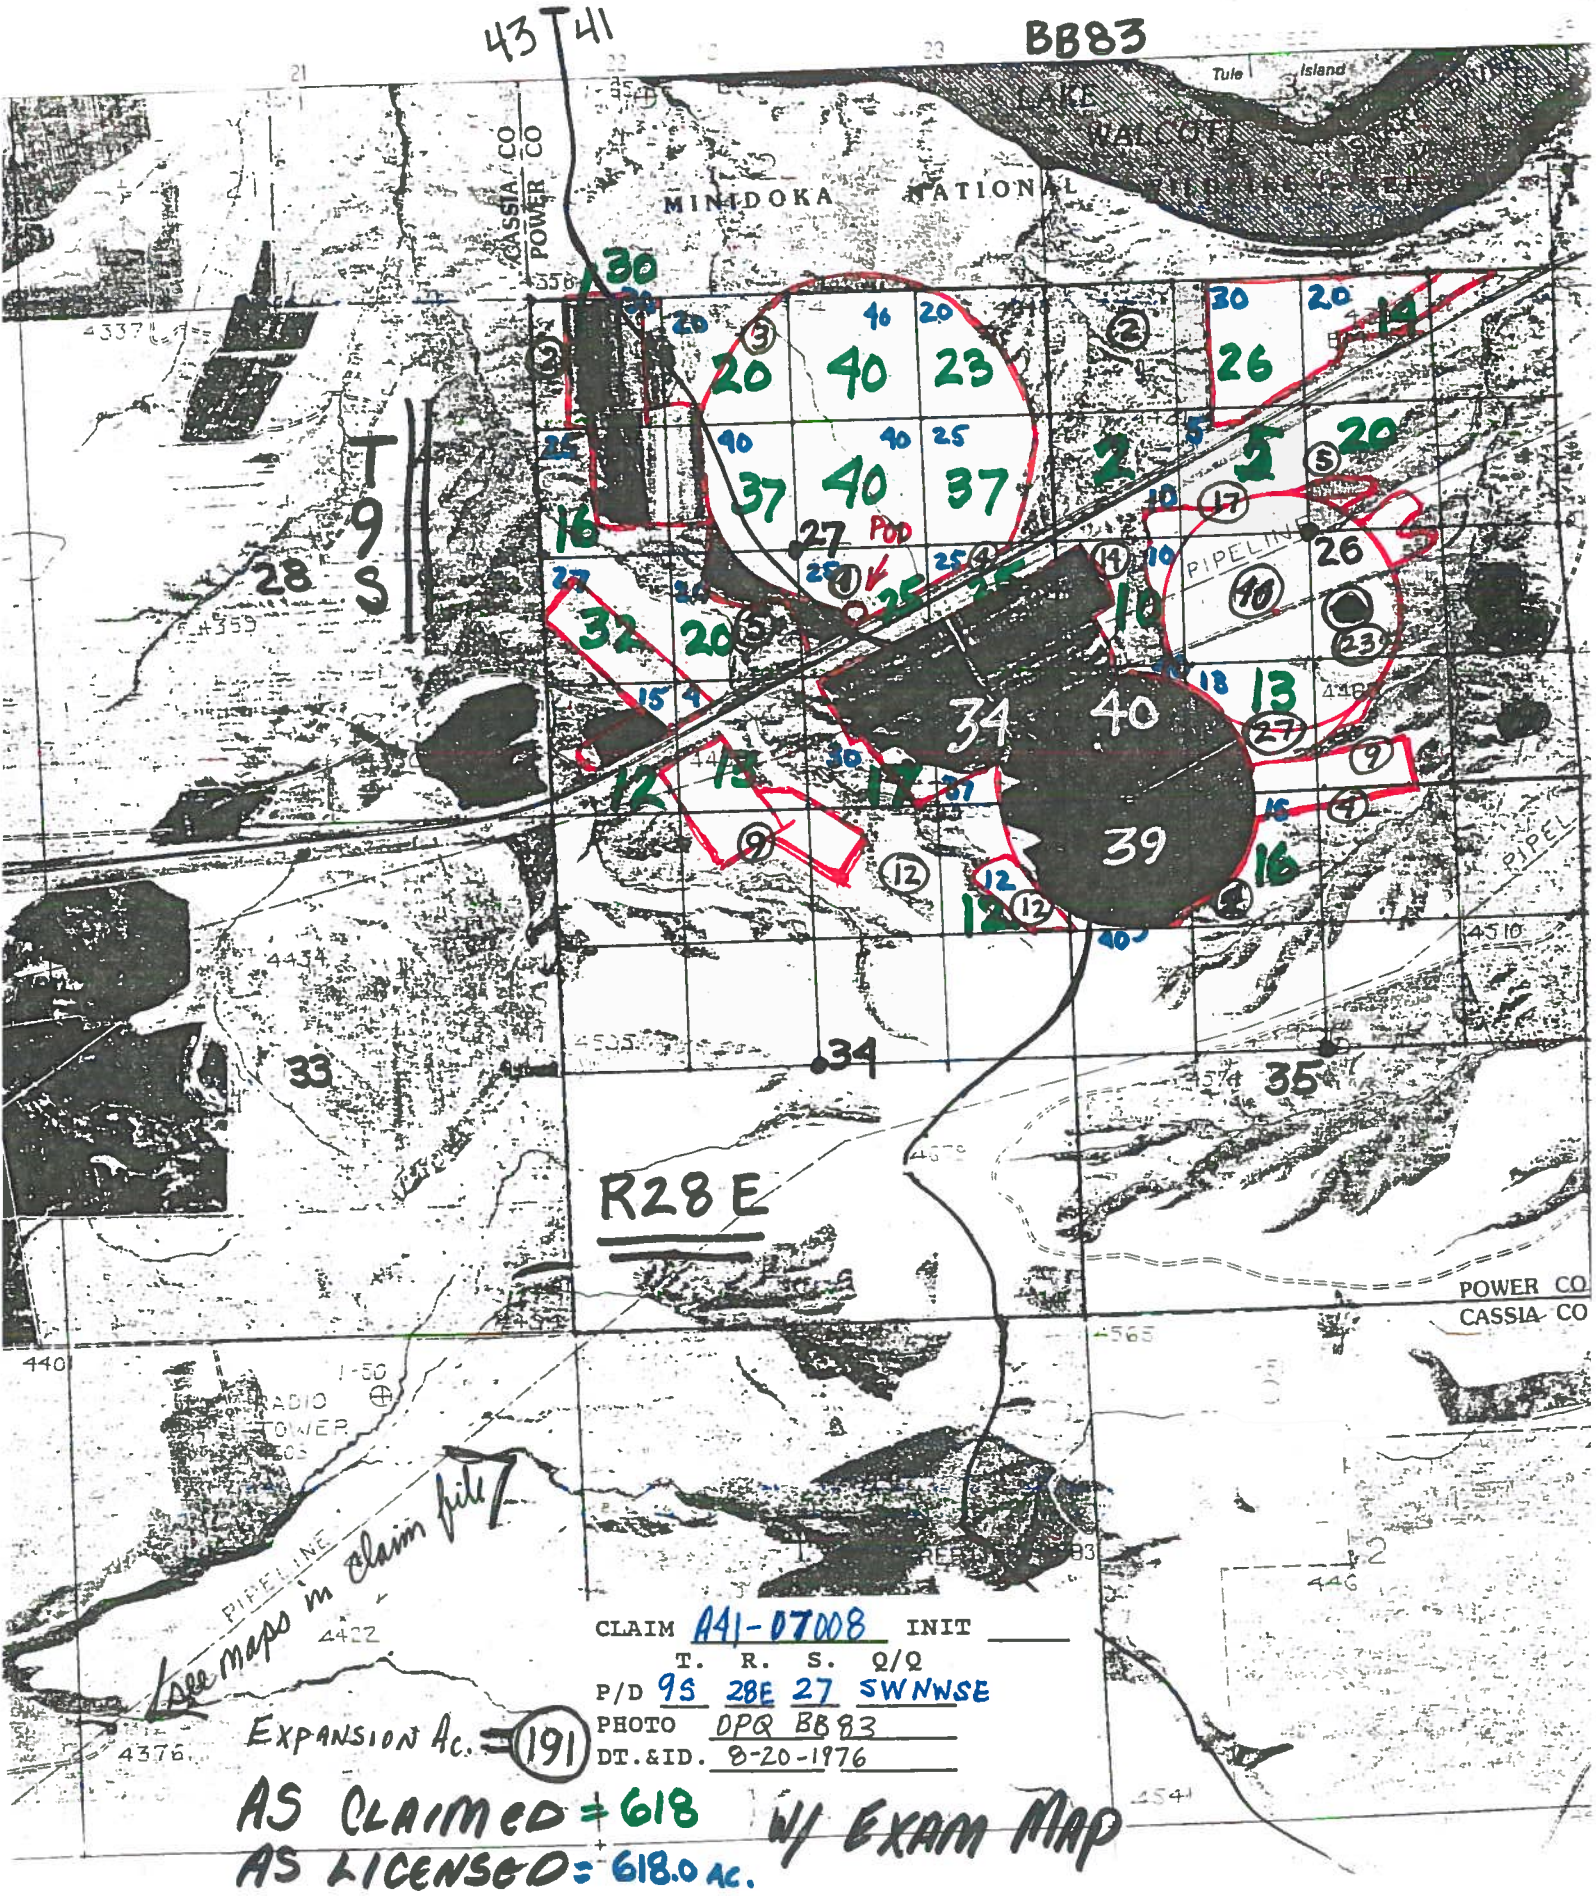

I explained why I was here ... to confirm the SRBA claims on file. We reviewed the files and found the G.W. source is used on all the Farm's acres. Palisades water and Natural flow water is also used on the whole farm. Estimate this claimant is affected by all these presumptions in his claims, but everything appears to be as correct as possible as filed.

Discussed development of new lands to use water that has been saved by efficiency improvements made to his systems. I told him to visit the Eastern Region office in I.F. and explain his system & plans. Begin work to develop the permit needed in spite of a possible Moratorium.

Review of CUR POU sheet showed WR 01-7088 appeared to be a permit to allow surface water use across all acres of the Farm (= to Expression of Power).
 * Send proof back to him to show details, w/ memo.

Discussed: Spring Creek Ranches (East of Call Farm)
 - uses Palisades water
 - old, unused pump system
 * send info to Evan Call

Told him of -
 plan to use the GPS & tag the site.
