CONVERSATIONAL MEMORANDUM

Date: October 11, 2005

To: File 67-85A, 67-86

From: Craig L. Saxton

Subject: Phone Call

Spoke with Robin Ziniker today. He spoke with Alvin Yantis and wanted to know what we were doing out there. We looked up his water rights and I only found decreed water rights listed above. I told him that we would get a hold of him if we had any questions.

He mentioned that he hadn't used the water since he bought the place 7 years ago. When I asked further he said he had actually used it up to three years ago but not to the full extent. The reason for this is that the POD is a mile away and it is hard to maintain the ditch. He wants to add a pond and change the POD. I told him he would need to talk to allocations at Western, but they would probably tell him he needed to wait for his SRBA claims to be partially decreed.

I noticed on the proof report that I don't have a phone number listed. I asked him if he wanted one on there and if I had his verbal approval to add a phone number to his record. He said yes and gave me the phone number of (541) 382-0045.

Mr. Zinker was very friendly and simply wanted to be sure that if there were problems with his claims, he would be notified before we disallowed anything. I told him he would be notified if we have any questions.
