Subject: WRB Claims, Nos 41-07046 and 41-07074

Nick - I was directed to you by Peter. Just a couple quick questions:

1) Why no "Other matters..." language for 41-07046 when this appears on the Preliminary Recommendation for 41-07074 (both licenses appear to contain identical conditions).

2) Why does the "Other matters..." language in the preliminary recommendation for 41-07074 contain conditions pertaining to the licensing process when this water right is already licensed. Sentences 2-4 and the last sentence no longer apply.

Thanks Nick - BG

FYI - I've attached copies of Recs & Licenses for the water rights in question.
