According to the Director's Report, water right number 36-02018 was claimed by Idaho Power Company. Two objections to this water right were filed April 30, 1993 -- one by Idaho Power Company and the other by the United States of America, Department of Interior, Bureau of Reclamation. IDWR filed responses on August 16 and August 31, 1993. Idaho Power also filed a response on September 1, 1993. On November 20, 1995, the United States and Idaho Power filed their *Stipulation to Dismiss Objection and Dismiss the United States as a Party (Stipulation)* stating, "the parties stipulate to and request that the Court dismiss the objection filed by the United States and dismiss the United States as a party to this subcase."

The court will treat the *Stipulation* as a request by the United States to withdraw as a party to this subcase and dismiss its objection with prejudice.

Therefore, based on the file and record herein, and good cause appearing, IT IS ORDERED that the objection filed by the United States is **dismissed with prejudice**. IT IS FURTHER ORDERED that the United States is **dismissed as a party** to this subcase.

IT IS SO ORDERED.

DATED: November 28, 1995.
