Dear Balakrishnan,

Thank you for your recent internet inquiry.

We were able to further investigate this switch and determine that this series was manufactured from 1948 to 1966. We are not able to narrow it down any further than that without the date code. That information may be located inside the door.

I hope this helps! Please feel free to contact us if you have any additional questions or concerns.

Best regards,

Subject: pump house pics

Hi Shankar,

Here are the pump house pics. I'm emailing all 7 but they are reduced file size so it should work. Hope these help! Lisa
