Nature of Contact \_\_\_\_\_

I called to relay measurement result  
on the Bench Ditch

Substance of Communication \_\_\_\_\_

I confirmed w/ James that the Right was  
for 445" (8.9 cfs) on the Day I measured.

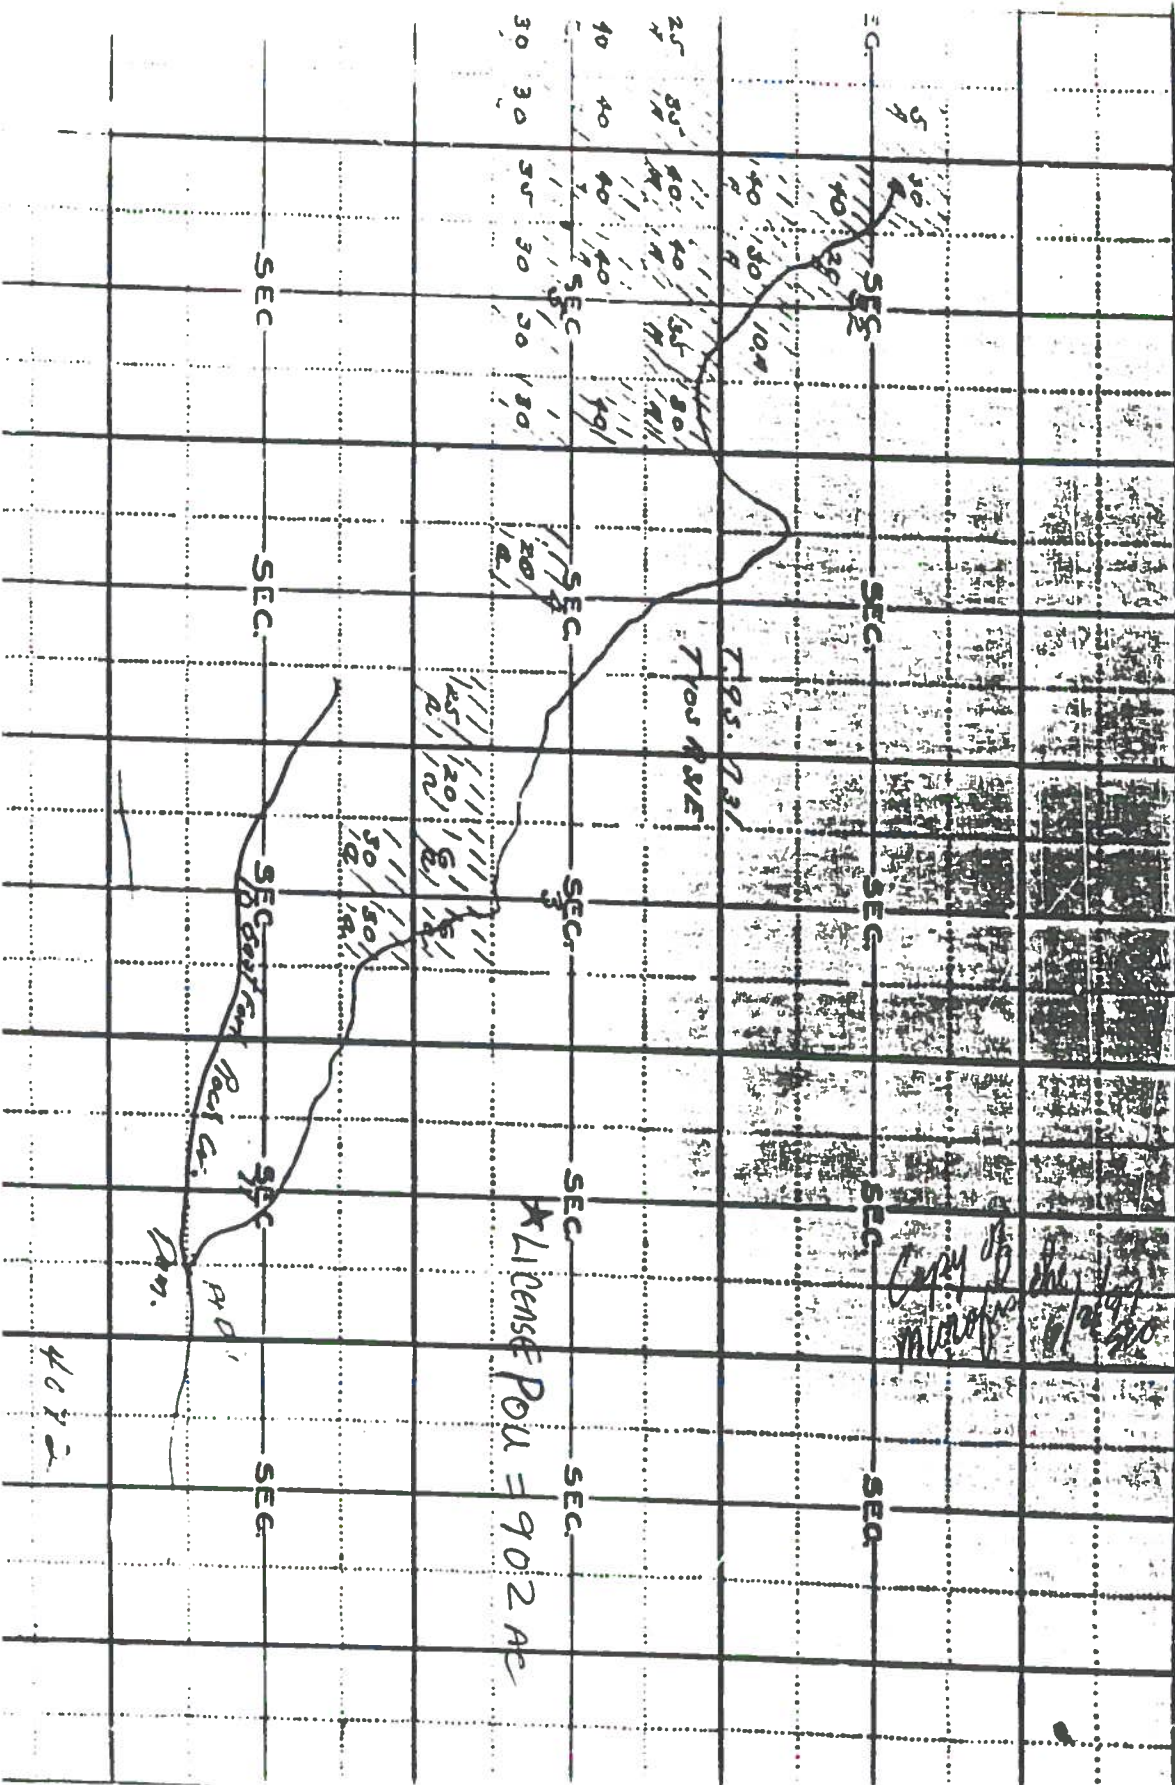

He said it was so. I measured 350" (6.97 cfs).

We discussed the pros & cons of switching to  
new measuring devices within the Valley. I said  
most of this decision process will be up to the Court  
process.

I will come measure more ditches to  
give more comparisons to the case.

Specifically plan to measure West Patch &  
US Ditch.

Nature of Contact I called to relay measurement results on the Bench Ditch

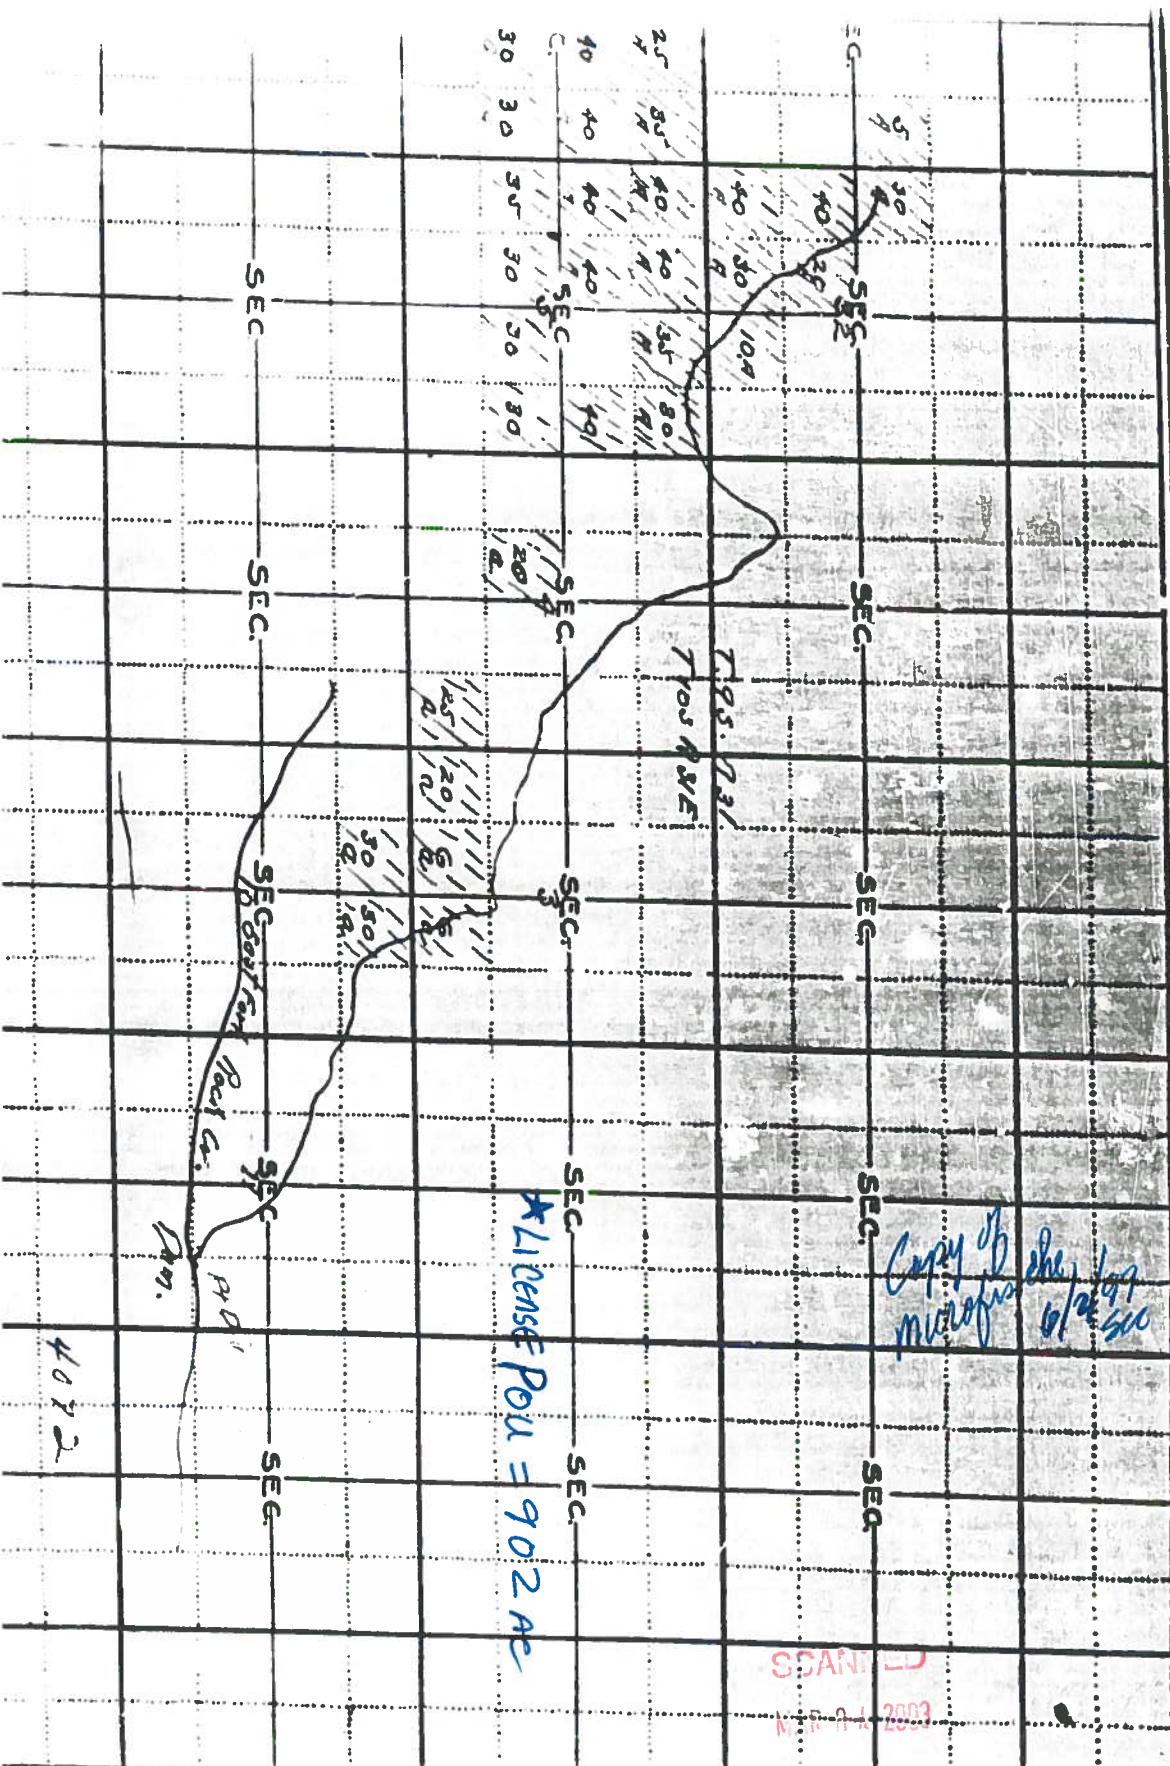

Substance of Communication I confirmed w/ James that the Right was for 445" (8.9 cfs) on the Day I measured. He said it was so. I measured 350" (6.97 cfs). We discussed the pros & cons of switching to new measuring devices within the Valley. I said most of this decision process will be up to the Court process.

I will come measure more ditches to give more comparisons to the case. Specifically plan to measure West Pitch & US Ditch.
