On June 25, 2012, the Claimant filed a *Motion to File Late Notice of Claim* for this right. The Court entered an *Order* conditionally granting the late claim on September 18, 2012, subject to the filing and service by the Claimant of an *Amended Late Notice of Claim* correcting the claimed quantity. On October 12, 2012, the Claimant filed its *Amended Notice of Claim*, which was forwarded to the Department for processing. On June 20, 2013, the Director issued his *Director's Report for Late Claims*, which included a recommendation for the claim. On July 10, 2013, the Claimant filed this *Motion to File Amended Notice of Claim*. The *Motion* complied with all procedural requirements under *SRBA Administrative Order 1*, and no objections were made to the *Motion to File Amended Notice of Claim*. Therefore, the Court will grant the *Motion*.

The Court notes that the Claimant also filed an *Objection* to the Director's recommendation on August 22, 2013. The *Objection* is presently before Special Master Booth. Since the *Motion to File Amended Notice of Claim* relates to the *Objection* presently pending before Special Master Booth, this Court finds that this matter should be referred to Special Master Booth for further proceedings in light of the *Objection*.

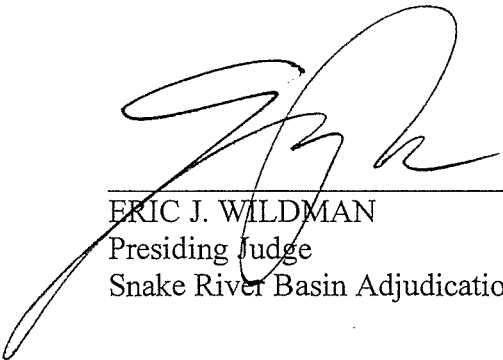

THEREFORE, THE FOLLOWING ARE HEREBY ORDERED:

1. The *Motion to File Amended Notice of Claim* for the above-captioned water right is **granted**.

2. This matter is referred to Special Master Theodore R. Booth for further proceedings.

IT IS SO ORDERED.
