IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT
OF THE STATE OF IDAHO IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA	)	Subcase Nos. 34-04040 & 34-04190
	)	Emergency Motion for
Case No. 39576	)	Extension of Time
	)	for Filing Report

DESCRIPTIVE SUMMARY

This is an emergency motion filed by the United States' to request an extension of time in which to file a report on the status of the various objections in each of these subcases.

MOTION

Counsel for the the United States, on behalf of the Bureau of Land Management (BLM), claimants in the above-referenced subcases, hereby moves for an extension of time to file its report on the status of the various objections in these subcases. The reasons for this request are as follows:

(1) At the status conference held on December 7, 1995, the Court directed counsel for the United States to file a report on

the status of the various objections in these two subcases by December 20, 1995.

(2) As the Court is aware, on December 18, 1995, the Office of Management and Budget directed Executive Agencies including the Department of Justice to modify their operations in response to a lapse of appropriations as of midnight on December 15. Agencies without current appropriations are nonetheless authorized to conduct certain activities, such as those necessarily implied by statute, those necessary for the President to discharge his Constitutional duties, and those necessary to protect life and property.

(3) We are committed to meeting all applicable deadlines. We have, however, been instructed by the Assistant Attorney General for the Environment and Natural Resources Division of the Department of Justice to request an extension of time. In light of the budget situation, we believe that it is appropriate for the Court to grant a reasonable extension of our time to file this report.

WHEREFORE, we respectfully request that the Court to extend the time within which to file this report to January 12, 1996. If this budget situation persists for an extended period, we may seek an additional extension of time.

Respectfully submitted this 18th day of December, 1995.
