Re: Coeur d'Alene-Spokane River Basin Adjudication Claim (CSRBA) Claim No. 92-10106

Dear Mr. Sartain:

Idaho Department of Water Resources (IDWR) has completed initial processing of your water right Adjudication Claim for Instream Stockwater and Irrigation use of Santa Creek. Your Claim ID number is 92-10106. Review of the 92-10106 shows that you should amend your Claim.

You are eligible to claim a priority date for Instream Stockwater use before the date that you acquired the property. I have enclosed a map and land patent information from the U.S. Government Land Office (GLO) indicating that the parcels you own are part of land that came under private ownership on February 9, 1901.

The permit system for establishing a water right became mandatory for uses developed from Surface Water after May 20, 1971 (except for watering stock directly from streams). Your Claim (# 13 on Claim Form) indicates that you may use Surface Water for Irrigation and that this use started on September 18, 2010.

Please telephone me to review and amend your Claim. IDWR will not be able to recommend that the CSRBA Court issue a decreed water right for your water use in the Claim's current form.

I can be reached by phone at (208) 762.2816 or at the address shown above.

Respectfully,

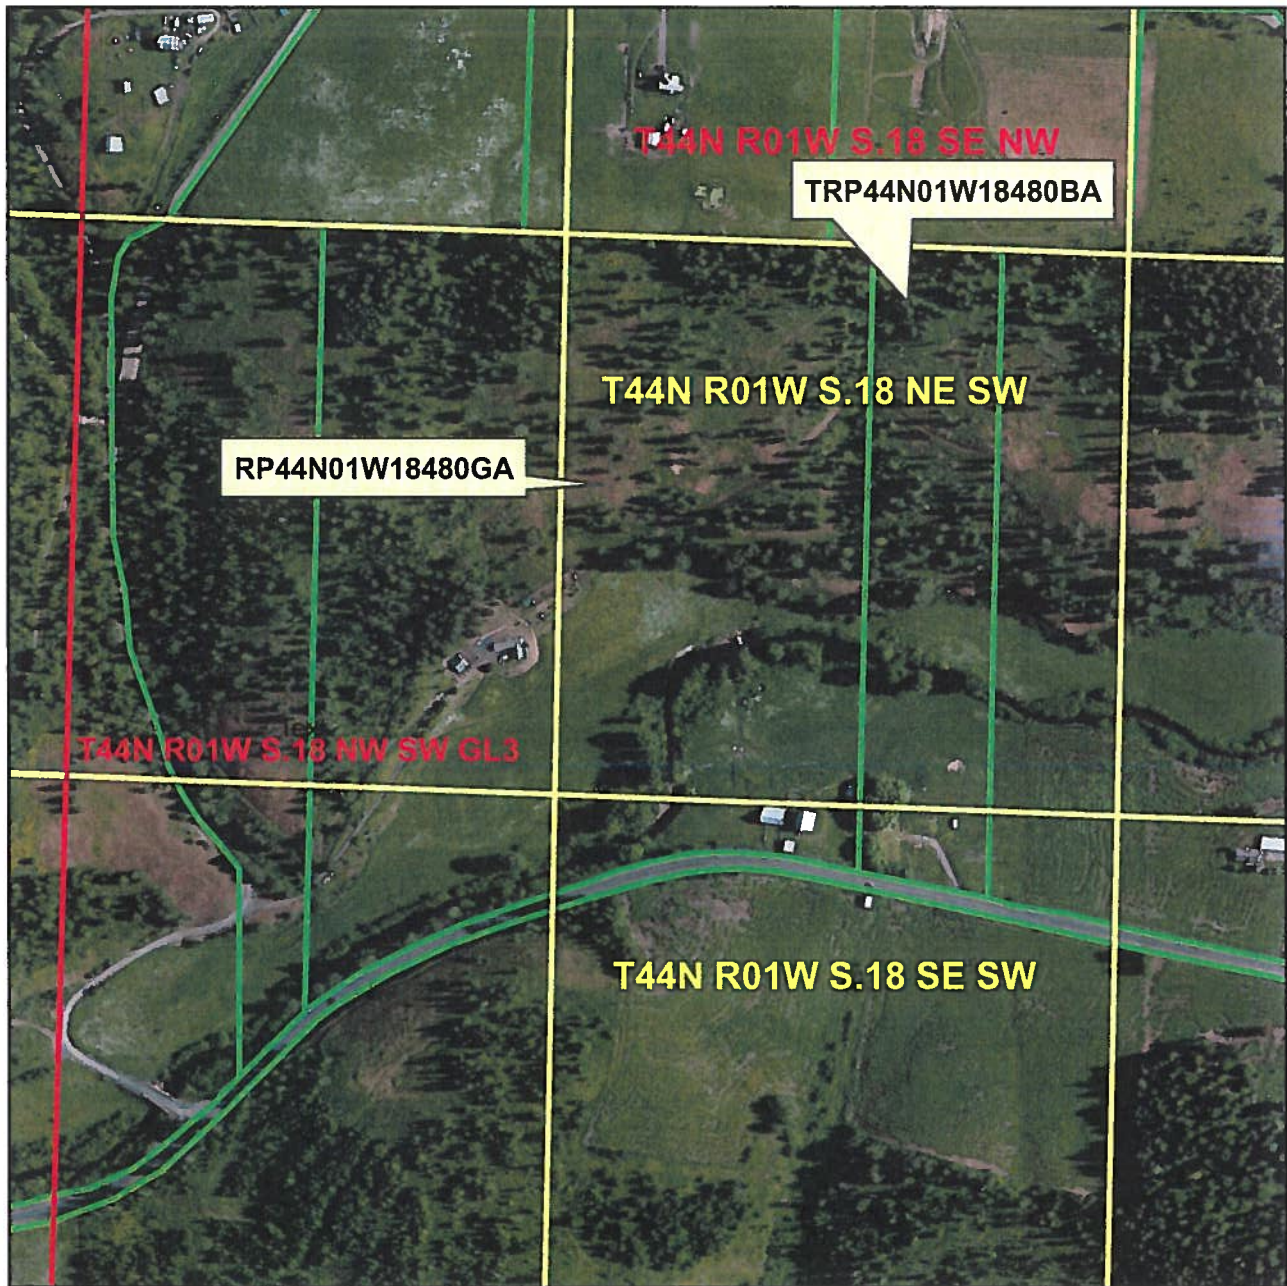

Shaun M. Maxey
