DESCRIPTIVE SUMMARY

This report is submitted to report the status of subcase number 34-00503A.

DISCUSSION

On January 18, 1996, the claimant's attorney, Peter J. Ampe, submitted additional documentation to IDWR regarding the claimed points of diversion for water right no. 34-00503A.

IDWR had anticipated submitting an Amended Director's Report on January 19, 1996. However, based on this latest documentation, IDWR will require additional time in which to further investigate this water right and prepare an Amended

Director's Report. Three weeks should be sufficient time.

Therefore, IDWR requests that the deadline for lodging an Amended Director's Report be extended to February 9, 1996.

DATED this 19th day of January, 1996.

Respectfully submitted
