RE: Notice of Change of Water Right Ownership: 65-13040

Dear Property Owner:

On August 20, 2013, the Department of Water Resources received a Notice of Change of Ownership from you. After reviewing the request, it was determined additional information was needed to process your request. A letter was sent to you on August 21, 2013, requesting evidence of ownership i.e., warranty deed, quitclaim deed, etc. and a \$25 filing fee. Another letter went out on September 23rd, requesting the same information. You called the department on October 1, 2013 acknowledging the 10 day notice. We called you on October 16, 2013 to check on the status of the information.

As of today, no information was received. The Department cannot process a change of ownership request without the proper documentation and fees therefore; I am returning your ownership change form. You may file again in the future if you would like. Remember to include evidence of ownership of the land the water right is appurtenant to and the appropriate fee.

Please feel free to contact me at (208) 287-4910 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Clay Webster', with a long horizontal line extending to the right.
