Re: Change in Water Right Ownership
Water Right Nos. 95-14212, 95-14211

This firm represents Hauser MMM, LLC, a California liability company with respect to the purchase by Hauser MMM, LLC of real property located in Hauser, Idaho.

As a part of the purchase transaction, Hauser MMM, LLC acquired ownership of certain Idaho water rights which were owned by the seller of the real property. As such, we have prepared and enclose a Notice of Change in Water Right Ownership for the subject water rights. Also enclosed is a copy of a recorded Warranty Deed which evidences the transfer of title from Stimson Lumber Company to Hauser MMM, LLC.

For your convenience, I have also included a copy of the well easement which was recorded in August of 2009.

Please process the original Notice of Change in Water Right Ownership, file stamp the enclosed copy, and return the copy to our office as confirmation of filing. Should you have questions or require further information or materials, please contact our office. Thank you for your assistance.

Sincerely,
