Subject: Challis Creek right questions...

In answer to your questions:

72-00004D

I found no ownership change records from Don and Cori Henderson to Don Odom

72-00020E, 72-02147A

I found a letter I had sent to Mrs. Green last September telling her she needed to file a late objection in order for me to be able to make any changes to the point of diversion. I guess she never did...

72-00029B

I sent a letter to Mr. Rankin last September telling him he needed to file a transfer to reduce the place of use to 32.5 acres, which would match right 72-10044A. Apparently he has not done so. This right was originally recommended with 43 acres in the place of use. The 'R' record in this case is how it should look IF and WHEN a transfer is filed. We filed a Notice of Administrative Proceeding on 12-27-1999 with the court in hopes Mr. Rankin would contact us...

72-02104B

I found no ownership change records showing Jolley has sold this...

Hope this helps...Jeanie

RE: 72-00004D

Dear Mr. and Mrs. Henderson,

This letter is in response to the Notices of Error (NOEs) recently filed with IDWR by many of your neighbors in the 3SI Subdivision regarding the Director's proposed recommendation of the claims against Water Right 72-00004B, of which yours is 72-00004D, as listed above. The NOEs generally questioned the diversion rates and the location of the point of diversion relative to other rights out of the same pipeline.

Based on information in the transfer file, I have re-calculated the diversion rates for the area and have been able to recommend the rates that were originally deeded. I have enclosed a proposed recommendation based on this new rate.

I have also checked the point of diversion and all rights out of the pipeline should have the same legal description.

If you still do not agree with the proposed recommendation to the court, you may file an objection with the court after you receive the final recommendation of your water right. The objection process will be explained when you receive your final recommendation of your water right.

Sincerely,

Jeanie Robertson
Senior Water Resource Agent
