Re: 93-7305

Dear Mr. Bisson:

I apologize for making some mistakes on the Amended Claim I sent you. The amount that I put on the claim was for 4.5 gallons per minute for irrigation and the amount should have been 45 gpm. I also left off the storage component of your water right. Would you please sign the enclosed amended claim and return it to our office.

Again, please accept my sincere apologies for making these mistakes and thank you for your patience.

Sincerely,
