Re: Adjudication - Custer County

Dear Mr. Merritt:

I am enclosing copies of your Claims numbered A72-10169, A72-00032D and A72-10168. Mr. & Mrs. Hammond brought these in for my review after having them prepared with the mobile unit personnel earlier this month.

First, the lands where used also encompasses some 40 acres in Section 4. The claims only included 80 acres in Section 3. Second, the total irrigated land is close to accurate as shown but the place of use was in error. Third, the points of diversion are more as I have shown on the corrected map.

I believe also that the claims should include the fact that the lands are under sale to the Andersons as I have indicated on the enclosed.

I will have the amended claims reviewed and signed upon receipt, or if you do not choose to make the correction, provide a format and I will prepare the claim.

Thanks for your attention to this matter.

Very truly yours,

James R. Bennetts
