DESCRIPTIVE SUMMARY

This report is submitted to report the status of subcase number 34-00503A.

DISCUSSION

On January 18, 1996, the claimant's attorney, Peter J. Ampe, submitted additional documentation to IDWR regarding the claimed points of diversion for water right no. 34-00503A. The Department has reviewed this information and has determined that more information is necessary before the Director can issue a recommendation. Attached is a copy of the letter sent to Mr. Ampe requesting the additional information.

Mr. Ampe has indicated that it will take approximately 30 days for his client to provide the requested information to the Department. The Department will require 15 days in which to review the information and prepare a revised recommendation.

CONCLUSION

Based on above, IDWR and the claimant request that the deadline for lodging an Amended Director's Report be extended to March 22, 1996.
