Descriptive Summary

This is the United States' motion to vacate the scheduling conference scheduled for subcase nos. 57-02378 on February 16, 1996.

Motion

The United States hereby moves to vacate the scheduling conference scheduled for this subcase on February 16, 1996 at 2:30 p.m. In support of its motion the United States states the following.

Motion to Vacate
Scheduling Conference
Subcase No. 57-02378

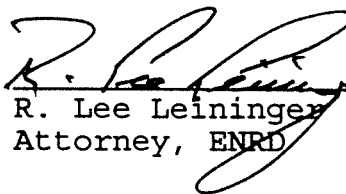

1. The United States is the sole party to this subcase. This claim to a water right was made by the United States on behalf of the Bureau of Land Management. The United States lodged the sole objection to the recommendation in the Director's Report for this right.

2. The United States submitted a Standard Form No. 5 to resolve its objection to the Director's recommendation for this water right concurrent with this motion.

3. Pursuant to Amended Administrative Order No. 9, issued March 21, 1995, the Standard Form Five reports all the elements of the water right.

WHEREFORE, because the United States is the only party to this subcase and has submitted a fully executed Standard Form Five to resolve its objection to this water right, the United States respectfully requests that the Court vacate the scheduling conference for this subcase.

Respectfully submitted,
