RE: Coeur d'Alene-Spokane River Basin Adjudication Claim (CSRBA) Claim No. 94-9117

Dear Shaun,

Please accept the following statement as evidence of an existing well circa 1969 for Civil Case Number 49576, Identification Number 94-9117.

During my research prior to purchasing Parcel number 47N03W25 NE NE in Kootenai County, I engaged in conversation with the owner Mr. Hinton regarding the well. Mr. Hinton had purchased the property from James and Juanita Jack in 1975. The Jacks had purchased the property in 1969 when the section NE NE was originally created.

Please reference the attached copy of notes that were written during the above referenced conversation. This took place in November of 2002.

Regards,

Michael LaPlante
