*Partial Decrees* were issued for the above-captioned water rights on January 8, 2009. On November 25, 2013, the Idaho Department of Water Resources ("Department") filed a *Request for Correction of Error*, requesting that this Court correct errors in the place of use element of the *Partial Decrees*. The *Request* asserts that although the rights were recommended with a "2774 ACRES TOTAL" notation under the place of use element, the notation was erroneously omitted from the *Partial Decrees*, which were decreed uncontested. Furthermore, that the above-captioned rights contain a remark in the place of use element which erroneously provides that the place of use "is within the area served by Rigby Canal & Irrigation Company." The *Request* asserts that the remark should provide the place of use "is within the area served by Rigby Canal & Irrigating Company." Therefore, it is the intent of the Court to issue *Amended Partial Decrees* correcting the above-mentioned clerical errors in accordance with the corrected recommendations attached to the Department's *Request*. Copies of the proposed *Amended Partial Decrees* are attached as Exhibits A – H.

Therefore, IT IS ORDERED that a hearing will be held on this matter on **March 18, 2014 at 1:30 p.m.** at the Snake River Basin Adjudication Courthouse, 253 3<sup>rd</sup> Avenue North, Twin Falls, Idaho. Any party wishing to object or comment on the Court's proposed action shall

do so at that time. Attendance at this hearing by the claimant is not required, as the Court will take the proposed action in the absence of any objection to the contrary. Telephone participation will be available by calling 1-215-446-0193 and when prompted entering code 406128 followed by the # sign. **However, no cell phones or speaker phones will be permitted as they interfere with our sound system making the proceeding difficult to accurately record.**
