RE: 95-35 & 95-295

Dear Mr. Kohls:

We are returning you two Notices of Claim. Your claims do not adequately describe the water rights. You mention that it is based on a decreed rights 95-35 and 95-295, but you do not adequately describe your right to the district court. Would you please fill in the correct information? We have enclosed a copy of your water rights for your use.

Sincerely,

Kenneth Knoblock
Water Resources Supervisor
