2. Date of Priority:

Date	Explanation
7/1/1982	The cabin was purchased by my Grandparents - I believe in the late 40's or early 50's. They used lake water to irrigate the lawn and had useage rights to the spring across the lake for drinking water. My husband and I took over the cabin in 1982 and have continued to irrigate the lawn with lake water since. We changed over to North Kootenai Water District in the late 1980's or possible the early 1990's for our drinking water as there had been some difficulties with the spring. I can not find a specific date at this time. I suppose the priority date could in fact be as early as when my Grandparents used the cabin, but since we took over in 1982 I felt that would be the significant date for my family. Total water useage would be very minimal since the cabin gets only about 6 weeks of use in a years time.
