RE: 95-3538

Dear Mr. Lender:

We reviewed your Claim to a Water Right. Your claim indicates the domestic, aesthetic and wildlife uses are from a ground water source and a surface water source (an unnamed stream). Only one source is allowed per claim. In order to record both uses an additional claim needs to be filed to record your water rights. One claim would be for the groundwater source and one for the unnamed stream.

If you have any questions, please contact us.

Sincerely,

Kenneth Knoblock
Water Resources Agent
