34-12507

Brigette Bilyeu was appointed as special master for all subcases in Basin 34 by *Order of Reference; Appointing Brigitte Bilyeu Special Master in Reporting Area 1 (Basin 34) (Order of Reference)*(November 1, 1995).

The original *Order of Reference* referred only those water rights to which an objection was filed, and the Presiding Judge retained jurisdiction over those water rights where no objection was filed.

On March 1, 1996, the Idaho Department of Water Resources filed its *Supplement to IDWR Proposal for Decreeing Dual Based Claims*. The *Report* indicates the above referenced water rights are "dual based" claims that have not been referred to Special Master Bilyeu because they were unobjected to. The companion "dual based" claims however, are currently pending before Special Master Bilyeu.

It appears that judicial economy would be best served by allowing the above water rights to proceed with their "dual based" companion claims currently pending before the Special Master.

Therefore, Brigitte Bilyeu is appointed as special master for water right claim numbers listed on Exhibit A which shall proceed under *SRBA Administrative Order 1*.

IT IS SO ORDERED.

DATED. March 27, 1996
