Attorneys for Claimant

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re: SRBA

Case No. 39576

STATUS REPORT

Subcase No. 34-00508; 34-00559; 34-00911

DESCRIPTIVE SUMMARY

This document is a status report submitted pursuant to the Court's February 7, 1996
Order.

INTRODUCTION

Undersigned counsel spoke with IDWR on April 17, 1996. At that time IDWR
informed counsel that it had submitted a status report regarding the above subcases and requested
a status conference. The telephone conference resolved most of IDWR's concerns and IDWR has
authorized undersigned counsel to rescind the request for status conference.

STATUS REPORT

The above captioned subcases have been largely resolved. IDWR has recommended
a diversion flow of 0.332 cfs/acre combined flow for these rights. Claimant wishes to amend his claim
to include approximately 20 acres which were inadvertently left off the original claim, and add a
alternate POD which was also inadvertently left off the initial claim. Undersigned counsel will, on
or about this date, furnish to IDWR amended claims and an additional filing fee. IDWR will then
inform Claimant and the Court when an on sight field exam will be accomplished.
