DESCRIPTIVE SUMMARY

This document is a report by the Big Lost River Irrigation District (BLRID) and the Idaho Department of Water Resources (IDWR) as to the status of the above-referenced subcases.

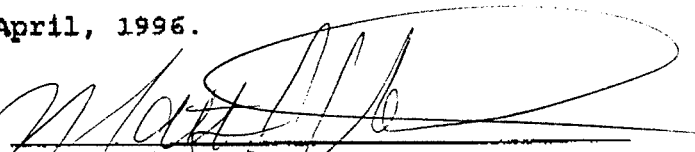

DISCUSSION

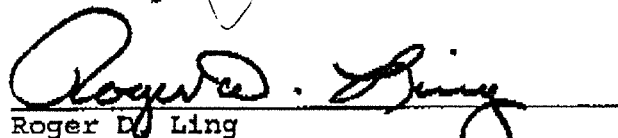

These subcases continue to be in the same status as they were at the time of the last status report, filed with the court on February 25, 1996. All of these subcases involve claims by the BLRID, which were originally recommended to be disallowed in the director's report. BLRID filed objections to the report,

which were resolved by Standard Form 5s filed with the court dated April 5, 1995.

The water rights in these subcases are used in combination with water rights nos. 34-00012, 34-00013, 34-02507, and 34-10873, each of which are contested by a number of claimants. These other subcases are currently stayed because they involve application of the amnesty statutes. The constitutionality of the amnesty statutes is currently on appeal before the Supreme Court.

DATED this 25 day of April, 1996.
