Dear Mr. Mayer:

Enclosed you will find a map outlining what we are proposing to be the boundary for your city's water right. Our determination is based on the map filed with your adjudication claim. We also reviewed the city limit boundary collected for the latest census study.

Please review the map and if you have changes, please mark the changes on the map and return the map to us at:

If we do not hear from you within 30 days from the date of this letter, we will assume the water right boundary is correct and will recommend it as your water right to the court.
