RE: RETURNED OWNERSHIP CHANGE 75-22

Dear Mr. & Mrs. Seher:

I am returning the above referenced documents for additional information.

Water rights 75-22 and 75-5 are combined to irrigate the property shown in yellow circles on the enclosed aerial photo. Your property (as described in your quitclaim deed) is shown in solid yellow.

In order for you to acquire a portion of the water from Arrowhead Water District, they must file an "Application for Transfer" to move a portion of their water to your land. This process generally takes 6 months and must be advertised in the local newspapers.

Enclosed is a transfer form. Please take your request to Arrowhead Water District. Once the transfer is completed, resubmit your ownership change request to our office.

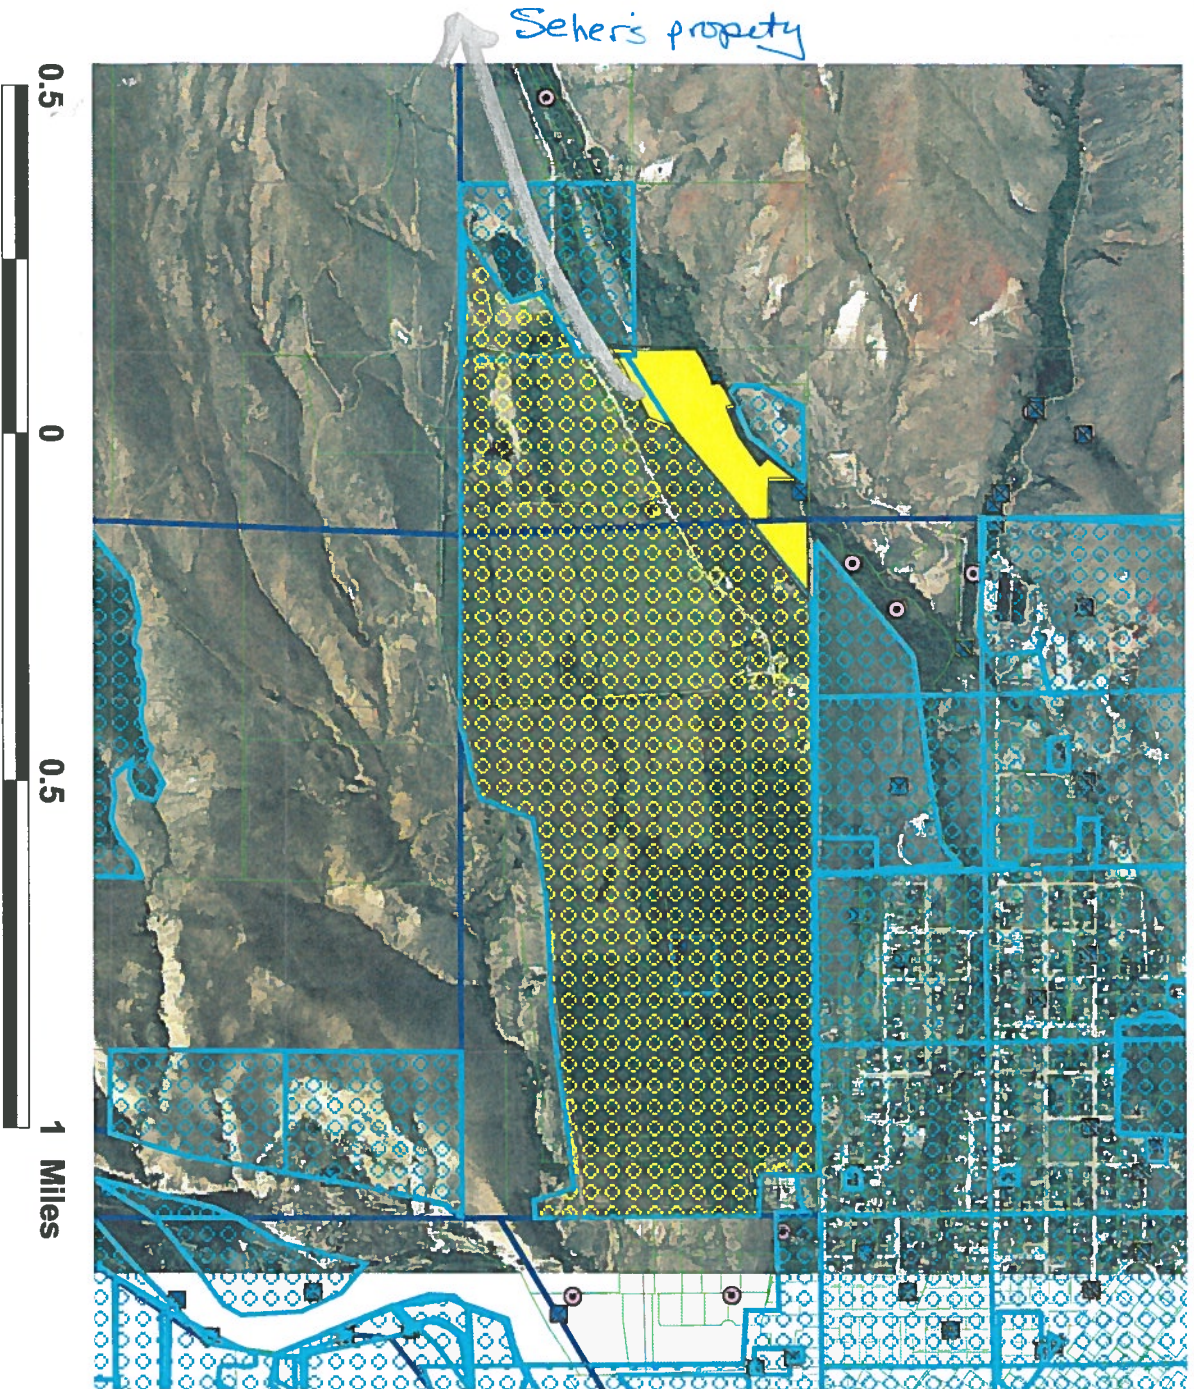

If you or Arrowhead have questions or concerns please contact Assistant Regional Manager, Ernie Carlsen.

Respectfully,

Jennifer Crabtree
Technical Records Specialist
