Re: 95-16093

We have returning your Notice of Claim. We ask that you list the date of priority in item #2. That is the day the water was first used in the home by you or the former owners. In item #6 on the second page, the amount of 0.04 cfs should sufficient to meet all your needs. We assume that the D stands for domestic, which is household use and ½ acre of irrigation.

Please complete these items and return the claim to our office.

Thank you,
