Case No. 39576	)	
_____	)	ORDER OF TEMPORARY REMAND TO
	)	NEWLY APOINTED SPECIAL MASTER

The claimants in the above subcases have moved for permissive review of the special master's *Order Denying Motions to Strike Affidavits and Order Granting Motions and Amended Motions to File Late Responses* dated December 12, 1995.

These subcases were reassigned to Special Master Fritz X. Haemmerle in an *Amended Order of Reference* entered subsequent to the filing of the instant motion.

To facilitate a more expeditious review of the issues presented by way of the request for permissive appeal, the case is temporarily remanded to Special Master Fritz X. Haemmerle who shall consider these issues in the context of a motion for reconsideration. This matter can be heard faster, and since the new special master will be handling all aspects of these subcases in the future, it is more appropriate to review the issues presented in this context.

IT IS SO ORDERED.

DATED May 17, 1996.
