Attorney for IDWR

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT
OF THE STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA	)	Subcase No. 36-15153
	)	
	)	IDWR REPORT RE: REVIEW
Case No. 39576	)	OF PRELIMINARY SPECIAL
	)	MASTER'S REPORT
	)	

DESCRIPTIVE SUMMARY

IDWR submits this report to inform the Court and the parties that IDWR has reviewed the Preliminary Special Master's report submitted in this subcase and has these comments.

DISCUSSION

1. The comments of IDWR in regards to specific elements of the water right in the Preliminary Special Master's report are:

[X] Source

The source of water for water right no. 36-15153 should be shown as:

LEN LEWIS SPRING TRIBUTARY TO: RILEY CREEK

The director's report includes the body of water to which the source of the right is tributary for each right in the director's report, except for rights to groundwater. IDWR adopted this standard for the description of the source of water rights because there are so many instances, sometimes in the same administrative basin, where different surface water sources bear the same name.

Brent King
Deputy Attorney General
Idaho Department of Water Resources

CERTIFICATE OF MAILING
