As a result of the above, the following is suggested for the design of a new system of social security:

1. The system should be based on the principle of self-insurance.
2. The system should be based on the principle of mutual insurance.
3. The system should be based on the principle of social insurance.
4. The system should be based on the principle of state insurance.

The above suggestions are based on the following assumptions:

- The system should be based on the principle of self-insurance.
- The system should be based on the principle of mutual insurance.
- The system should be based on the principle of social insurance.
- The system should be based on the principle of state insurance.

The above suggestions are based on the following assumptions:

- The system should be based on the principle of self-insurance.
- The system should be based on the principle of mutual insurance.
- The system should be based on the principle of social insurance.
- The system should be based on the principle of state insurance.
