A *Partial Decree* was issued for the above-captioned water right on April 13, 2000. On January 28, 2014, the Idaho Department of Water Resources ("Department") filed a *Request for Correction of Error*, requesting that this Court correct an error in the quantity element on the *Partial Decree*. The *Request* asserts that although the *Partial Decree* contains a quantity of "0.09 CFS" the correct quantity for the claim, which is a federal based Public Water Reserve 107 claim, should be "0.02 CFS." Therefore, it is the intent of the Court to issue an *Amended Partial Decree* correcting the above-mentioned clerical error in accordance with the corrected recommendation attached to the Department's *Request*. A copy of the proposed *Amended Partial Decree* is attached as Exhibit A.

Therefore, IT IS ORDERED that a hearing will be held on this matter on **April 15, 2014 at 1:30 p.m.** at the Snake River Basin Adjudication Courthouse, 253 3<sup>rd</sup> Avenue North, Twin Falls, Idaho. Any party wishing to object or comment on the Court's proposed action shall do so at that time. Attendance at this hearing by the claimant is not required, as the Court will take the proposed action in the absence of any objection to the contrary. Telephone participation will be available by calling 1-215- 446-0193 and when prompted entering code 406128 followed by the

# sign. However, no cell phones or speaker phones will be permitted as they interfere with our sound system making the proceeding difficult to accurately record.
