Dear Mr. Sproed:

We are returning your Notice of Claim. You listed the date of priority as 1/ 1/ 2011. The date should be when the water was first used. We did notice that you had a well drilled about 11/10/1997. If the water was first used then, that should be the priority date.

We did not receive a page 2 in your mailing. We have inserted a blank page 2 for your use. Please complete the claim form and return it to our office.

There is a \$25 filing fee. Please enclose a check with the corrected claim.

Sincerely,

Kenneth Knoblock
Water Resources Supervisor
