Dear Mr. and Mrs. Vega:

Thanks for the information provided by Mr. Vega during your phone call to the Idaho Department of Water Resources (IDWR) Northern Region office on February 11, 2011. IDWR personnel are not allowed to amend your claim. You must amend your claim before IDWR can process the claim and make an accurate recommendation to the Court.

I have enclosed your claim. Please return your claim to me after you have corrected and initialed the Priority Date (#2) and Source of Water (#3). You should change your claimed priority date to the date that you first started using water for Domestic use from the well or cistern that lies near Little Carpenter Creek. Please use a pen to check 'Groundwater' and cross out and initial 'Little Carpenter Creek' and 'St. Maries River.' Please attach a statement or other evidence that indicates when you started the water use. Please mail the amended claim and evidence to me at the IDWR Northern Region office at the address shown above.

I can be contacted at the IDWR Northern Region office by telephone at (208) 762.2800. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,

Shaun M. Maxey
