RE: WATER RIGHT NO. 72-07228 and 72-07229

Dear Mr. Keen:

Your letter of January 9 to our Regional Office in Ogden, Utah has been forwarded to us. After consideration of the matter, we have decided to withdraw the applications for the permits for the referenced water rights. It is therefore unnecessary to amend, or to submit applications for amendment of, these two permits. (Your letter also referred to Water Right No. 72-07382; this permit is not being withdrawn but is the province of the Salmon-Challis National Forest Supervisor rather than our office. We understand that they have submitted the necessary application to amend that permit.)

We have reviewed the water uses associated with the two subject permits and have determined that corresponding claims of the United States of America (USDA Forest Service) have been filed in the Snake River Basin Adjudication. It is our understanding that these adjudication filings will meet the Department's legal requirements for registering these water rights. We also understand that withdrawal of these applications and the cancellation of the associated permits will have no effect on the corresponding adjudication claim filings. Please let us know if this understanding is incorrect.

If you have any questions, please call Randy Bramer at 208-387-0835 or Valdon Hancock at 208-737-3215.

Sincerely,

WILLIAM P. LEVERE
Forest Supervisor
