See Section E. REASONS SUPPORTING OBJECTIONS BELOW

E. REASONS SUPPORTING OBJECTION(S):

The Director's Report expands the place of use from what was claimed to include the entire place of use of the Squirrel Creek Irrigation and Canal Co. The canal company has two places of use which are separate from each other. This water right may only be diverted at the place of use which was claimed, which is the historical place of use. The right should be recommended with the only the historical place of use as claimed.
