RE: AMENDED CLAIM A72-02081D

Dear Mr. Thomas,

After speaking with your wife yesterday, I have prepared an amended claim which claims 2/3 of original water right 72-02081 for 1.4 cfs as your deed indicates. The original claim stated it was for 2/3 of part A of this right. This increases the diversion rate for your portion to .933 cfs. If this is how you wish to amend this claim, please sign, have notarized and return it to me as soon as possible. I can then change my recommendation to reflect this amendment.

If you have any further questions, please feel free to give me a call at the office.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Jeanie'.
