Re: 92-10205

Dear Mr. Delauney:

We are returning your Notice of Claim. The date of priority is listed as May 1, 2011 which is the day you signed the claim. The date of priority is the date the water was first used regardless of who owned the property. If the priority date of your claim is incorrect then you can correct the date and return the claim to our office. We have a copy a Well Driller's Report that shows a well was drilled for you on November 9, 2007.

Sincerely,

A handwritten signature in black ink, appearing to read 'K. Knoblock', written over a horizontal line.
