Re: Coeur d'Alene-Spokane River Basin Adjudication Claim (CSRBA) Claim No. 92-10511

Dear Claimants:

Idaho Department of Water Resources (IDWR) has received and completed initial processing of a water right Adjudication Claim for your property (Benewah County parcel RP46N02W205451A). The CSRBA Claim Identification Number is 92-10511.

Please contact me after you have reviewed the enclosed 2004, 2009, and 2011 aerial maps and copy of your Adjudication Claim. It is unclear if the unsigned well agreement you provided has been put into effect. It is also unclear when Domestic use of water from the shared well began on your property since no building appears to have existed until 2011.

I plan to be doing field work in the vicinity of your property later this month and am available to meet you or visit the property. A site visit is not mandatory. Your help is needed before IDWR can make an accurate recommendation to the Court for the Claim.

Please contact me at the IDWR Northern Region Office at (208) 762.2816.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
