Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 94- 9033

Dear Claimant:

Idaho Department of Water Resources (IDWR) has reviewed your CSRBA Claim for use of a spring to serve one home on Shoshone County parcel RP48N05E331810. Your Claim has been assigned identification No. 94-9033 and a copy is enclosed.

Please contact me about an amendment to the Priority Date on your Claim after you have reviewed the enclosed printout showing a land patent was issued on October 13, 1922. Records indicate we have not received a response to a 2012 letter about your Priority Date (# 2 on claim form). Your claimed Priority Date must be before May 20, 1971 to obtain a water right for the spring via the Adjudication process.

IDWR personnel are not allowed to amend your Claim. Please contact me if you wish to use the date shown on the land patent or have other evidence showing use of the spring before May 20, 1971.

Please telephone me at the IDWR Northern Region Office at (208) 762.2816.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
