Dear Mr. Short:

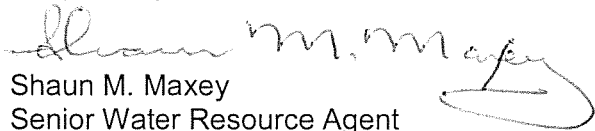

Enclosed is a copy of the water right claim that you provided to our office for both a drilled well (Ground Water) and Santa Creek (Surface Water). These two sources of water require separate \$25 claims. Your claim has been assigned identification number 92-10636 and is being processed as a Ground Water claim.

Please complete a separate claim for Santa Creek, using the enclosed form and instructions, and include payment of \$25. The completed claim should be mailed to the above address.

Please label and return the enclosed aerial photomaps. Please mark the map labeled for the well (92-10636) with the well location 'X' labeled '**WELL**' and the home circled and labeled '**HOME**' on the attached photomap. The other map should be labeled and attached to your Santa Creek claim.

I can be contacted at the address shown above or at (208) 762.2816 if you have any questions.

Respectfully,

Shaun M. Maxey
