Dear Mrs. Aldrich:

Enclosed are a Well Driller's Report and a copy of the water right claim that you provided to the Idaho Department of Water Resources (IDWR). Your existing claim has been designated as a **Ground Water** claim and assigned identification number 92-10664. Please use the identification number in any communication with IDWR.

Please complete the enclosed blank claim form, with payment of the \$25 filing fee, if you want to obtain a Domestic & Stock Water right using **Surface Water** from the Unnamed Stream that crosses your property before reaching Santa Creek. The start of your **Surface Water** use, or start of use by a prior owner, must have begun before May 20, 1971 in order to complete a claim. Please contact IDWR to obtain a water right through the Permit process if use started after May 20, 1971.

I can be contacted at (208) 762.2800 if you have any questions.

Respectfully,

Shaun M. Maxey
