RE: **Evidence of Priority**

RESPONSE DEADLINE
MAY 1, 1992
****

Dear Claimant:

The Notice(s) of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice(s) indicate your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. **The date of first use, known as the priority date**, has not been confirmed by a License, Decree or Permit. The Department will soon conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided supporting the priority date you have claimed.**

The Department will not recommend the Notice(s) be decreed by the court as claimed if no evidence of a priority date is submitted.

Please find enclosed a computer printout of your Notice(s) and the pamphlet entitled **"Evidence of Priority"**. The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. I direct your attention to the two sections entitled **"What Kind of Evidence is Required"** and **"Some Examples of Documents Which May Be Evidence of the Priority Date"**.

Please submit the required evidence supporting the priority date(s) by **May 1, 1992**, referencing all documents with the corresponding Notice number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Respectfully submitted,

Allen Merritt, P.E.
Water Rights Supervisor

AFFIDAVIT - WATER USE

RE: WATER RIGHT NO. A72-04020

RECEIVED
MAR 31 1992
Department of Water Resources
Southern Region Office

STATE OF IDAHO)
: ss.
County of Custer)

The undersigned, first being duly sworn, deposes and says as follows:

1. That I was born in Custer County, Idaho, on September 27, 1902, and have lived my entire lifetime in North Custer County.

2. That at the time of my birth, and for several years thereafter, I lived on a ranch across the Salmon River from Challis which was some two miles, more or less, downstream from the lands described as the place of use under the above water right. Later, in about 1930, my wife and I purchased and operated the particular lands in question (in Section 16, Township 13 North, Range 19 East) and, therefore, I am very familiar with the water right and its use.

3. Further, I can recall going through or along the property being irrigated with the water right as a very young child because the road from the ranch where my family lived to Challis ran from our home upriver through this property to the old toll bridge and back to Challis. I recall being on this road prior to my going to school. I recall instances when I would travel the road in a buggy driven by my mother. It was quite an occasion for a child, and I specifically recall crossing a ditch on a bridge just prior to crossing the river bridge. This bridge was over the ditch used to irrigate the lands set out in the above water right. I can recall that the bridge on the ditch had poles for decking.

To the best of my memory and belief, these first recollections date from the years 1907 and 1908. At that time, the properties in question were being irrigated with the water as they were green and being irrigated at the time of these earliest recollections. I cannot state from my own personal memory that the water was used beneficially earlier than 1907, however, I can state that my first recollections of the ditch bridge referred to above is to the effect that it had the appearance of having been used for a number of years at that time. Also, my family received water from the same ditch for their lands further downstream. From the stories told me about the ditch building and so forth, I know that it had been in place for years prior to my first recollections, however, I cannot state that I personally saw it in use prior to 1907.

4. To the best of my knowledge and belief, these statements

RE: WATER RIGHT NOS. A72-04160
A72-04020

STATE OF IDAHO)
: ss.
County of Custer)

The undersigned, first being duly sworn, deposes and says as follows:

1. That I was born in September, 1934, and resided in North Custer County all during my youth.

2. At the time of my birth, my parents owned the lands described as the place of use on the attached Exhibits, which are made a part of this affidavit. My parents continued in ownership and resided on the property until I purchased the lands in the early 1960's.

3. I can and do swear that from my personal knowledge the lands described as being irrigated were in fact continuously and beneficially irrigated by the waters from the described source(s) from the date of my first memory until the present date. To the best of my recollection, I first personally witnessed the irrigation of the lands covered by the referred to water rights in the summer of 1940 or 1941. Further, from my best recollections, it was apparent that the lands had been irrigated for some time by that period.

4. I can specifically recall following my father as he irrigated during that season which I believe to be 1940, but if later, no later than 1941.

5. The above is accurate and true to the best of my knowledge and belief.
