and 91-7696

Dear Mr. Perkins:

I have recently been informed that you have been appointed as personal representative for the estate of Carroll L. Perkins. This letter provides information concerning transfer of ownership of Idaho water rights.

Enclosed are Idaho Department of Water Resources (IDWR) Change In Address and Notice of Change in Water Right Ownership forms. Please mail a completed Change In Address form with your telephone number to me at the above address. You should also mail a completed Change in Water Right Ownership form to IDWR if you want to change the ownership of Water Right / Claims 91- 7028 and 91-7696 to the Estate of Carroll L. Perkins. There is no fee for a change of address or Change in Water Right Ownership for CSRBA Claims (91-7028 or 91-7696).

IDWR records also indicate that Carroll L. Perkins had two water rights in the Weiser, Idaho area (67-11712 and 67-11713). Please contact me if Carroll L. Perkins or the Estate maintains an interest in these rights.

Please contact me at (208) 762.2816 if you have any questions.

Respectfully,

Shaun M. Maxey

Dear Mr. Perkins:

Your 91-7028 water right claim appears to have a Priority Date error. The priority date on License 91-7028 was set as April 22, 1977 when issued by the Department. This date remains in effect in our records.

Idaho Department of Water Resources (IDWR) personnel are not authorized to change your claim and cannot recommend a Priority Date earlier than what you claim to the Court. You can claim the earlier priority date shown on the enclosed copy of License 91-7028. Please change and initial the correct date on Number 2 of the enclosed copy of your claim form if you want the original Priority Date.

Your amended claim is needed before we can make an accurate recommendation to the Court for the Northern Idaho Adjudication. The amended claim form should be mailed to the address shown above as soon as possible.

Please contact me at the IDWR Northern Region Office at (208) 762.2816 if you have any questions.

Respectfully,

Shaun M. Maxey
