Re: Application For Permit to Appropriate the Public Waters of the State of Idaho

Dear Mr. and Mrs. Hunter:

The Idaho Department of Water Resources is in receipt of your application for a new water right, copy of which is enclosed for your reference. The attached documents to the application indicate there is an existing license on the property for the same purpose as what is requested on the application. If this is correct what you need to do is file an adjudication claim based on the license, 91-7133.

For your convenience I've enclosed a completed claim form for your review and if it meets with your approval, please sign and return it to me within the next 30 days. The fee for such a claim is \$25.00 of which you have already paid \$100.00 for the application. Therefore, when you return the signed claim, please attach a short note requesting a refund of \$75.00.

If you have any questions, don't hesitate to contact me at this office.

Thank you.

Sincerely,

Keith E Franklin  
Senior Water Resources Agent
