Re: Ownership Change for Adjudication Claim No.(s): A72-00195A,
A72-00195B, A72-04091A, ~~A72-04091B~~

Dear Mr. Bennetts:

Thank you for sending to us the Change of Ownership on the above-referenced Adjudication Claims.

In reviewing the files, I found that your name was listed behind Mr. Stanley L. Heiner's, as % James R. Bennetts Esq. on the first line of the address. This way all correspondence was sent to you concerning these Claims, but legally you were not authorized to sign for the claimant. You did not indicate on this Change of Ownership form to do so again. If you are to be listed as the Attorney representing the Claimant with an A coding in the name line, please fill out the authorization form - with the claimant signing - and return to me.

I will wait for your response on how you want this entered in our system. I apologize for any inconvenience this may cause you, and please feel free to call this office should you have any questions.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Judy Givens'.

STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES

CLAIM TO A WATER RIGHT

-04091

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

Notice is hereby given that **STANLEY L. HEINER c/o James R. Bennetts, P.O. Box 36,**
(Name of Claimant)
Challis, Idaho 83226 Telephone No. **879-4488**
(Mailing Address) (Zip Code)

claims a right to the diversion and beneficial use of the surface or ground water. The extent and nature of said claim is as follows:

1) Date of priority: (When was the water first applied to a beneficial use) **May 15, 1966**

A claim is not acceptable on a ground water source with a priority later than March 25, 1963 or on a surface water source with a priority later than May 20, 1971. An exception is that a claim may be filed on single family domestic use from a ground water source.

2) Describe the source of water: (Name of stream, lake, spring, etc., or ground water)
unnamed spring (warm) tributary to **East Fork Salmon River**
3) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:
